2025 Inclusive Education Expo - Executive Functioning: Supporting Success for All Learners

 7 July 2025 |  9:30am |  Port Lincoln Hotel

Join us for the inaugural Regional Inclusive Education Expo!

SIES is hosting a full day professional development conference exploring inclusive strategies that support Executive Functioning in the classroom. Designed for educators (including SSOs and ECWs), and allied health professionals.

The expo offers presentations and practical tools from statewide experts in the field of Executive Functioning.

Key Topics Include:

- Understanding Executive Functioning and its impact on learning
- Why self-regulation comes first
- Inclusive and assistive technology tools
- Practical classroom strategies
